Jigsaw Inclusive Dance at Malvern Theatres

A Story For Your Visit

Malvern Theatres is where I will go to dance with my friends.

I will enter through the front double doors on Grange Road

I will enter through 2 automatic double doors that open and close side to side.

I will be able to see and hear them open and close. They make a mechanical noise.

There will be a green carpet on the floor with specks of red, dark blue and light green.
The carpet is very soft and my feet will sink in-to it slightly.

When I walk in...

When I go in I will feel a bit warmer and I will be able to hear people talking.

On my left there will be the box office where I will see people sat behind desks who will be talking, answering phone calls and typing on their computer.

In front of me will be electronic posters which will show different upcoming productions.

On my right there will be a television where I will be able to hear and see videos.

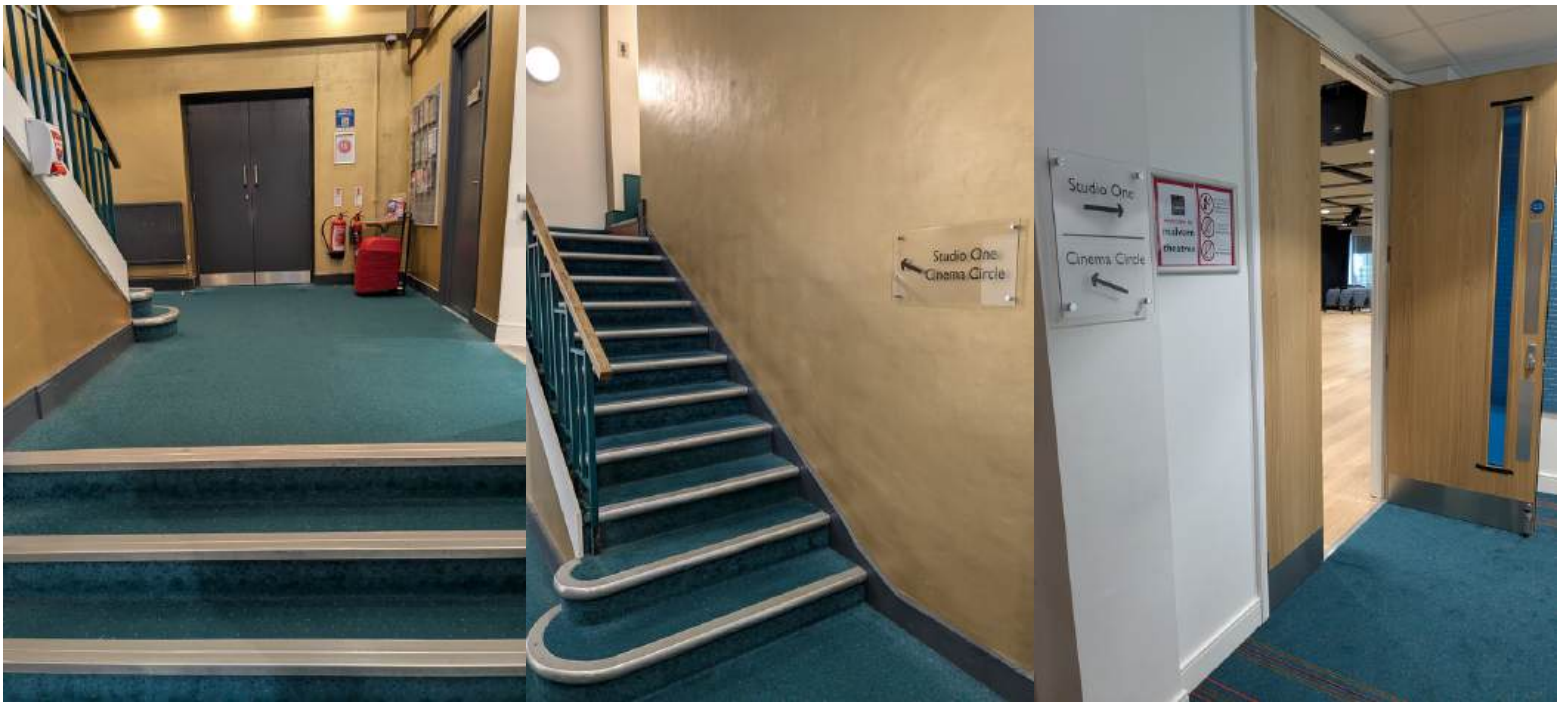
When I walk in...

I will follow the leader of my group to the right where I can see the sign for Studio One and Cinema. I will be going to Studio One.

I can choose to go up the stairs or use the lift to go to floor 3 - Studio One

If I have any questions about where I am going, I can ask the Box Office and they will be able to help me.

Going up... The Stairs



I will follow my group leader up the stairs. The stairs will go up towards the left until I reach the sign saying Studio One.

As I go up the stairs I will go past a Changing Places Toilet, an accessible toilet and a ladies toilet.

I will meet my group at the top of the stairs and wait to be told to go into the studio.

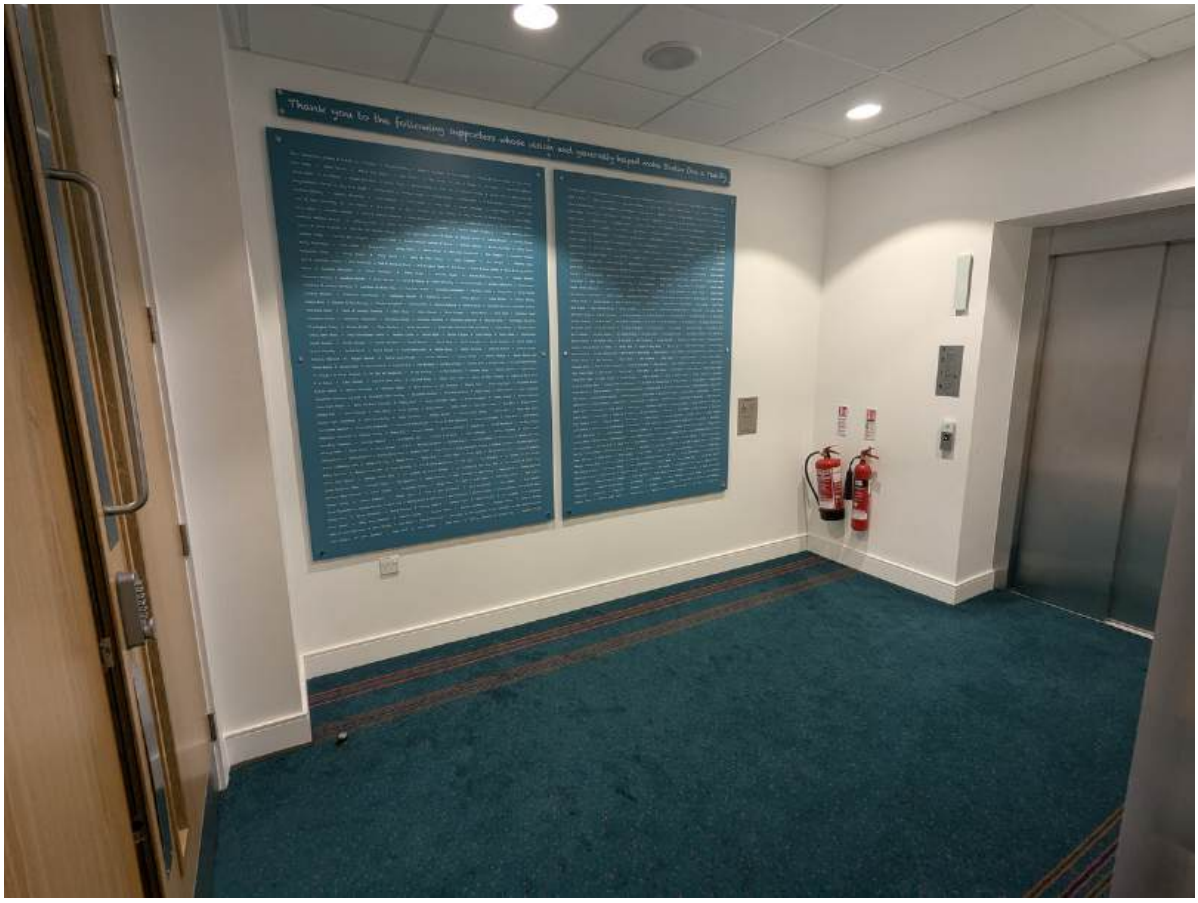
Going up... The Lift

I will be taken over to the lift by my group leader. Only a few people can go into the lift at a time so I might need to wait.

A member of my group will push the up arrow to call the lift. When we go inside, a member of my group will press the 3 button.

When I'm in the lift I will be able to hear it 'talking' it will say whether it will be going up or down and when the doors are opening or closing.

I might feel a bit strange when the lift starts moving, and it will make a bit of noise.



Before going into the studio I will wait with the other participants by the big blue canvases. They have lots of names on them.

I will meet Beth and Liz who will invite me into the studio. They will be leading the class.

Beth

Liz

Entering the Studio...

When I enter Studio One the flooring will change from soft carpet to smooth wooden floor.
The temperature might change because it is a newer part of the building.

I will see lots of blue seats around the room that people use for theatre performances.

At the end...

At the end of the class, I will say thankyou to Beth and Liz and follow my group leader back down the stairs or the lift and exit the building onto Grange Road where I started.

Thankyou so much for joining us at Malvern Theatres for this session of Jigsaw Inclusive Dance.

If you have any feedback you would like to share on the session/ sensory story or any ways we can improve, please email your thoughts to autumn@malvern-theatres.co.uk
